Additional information

Are you passionate about sports? Do you love helping the local community? If so, then our sports team would be perfect for you! We host badminton club for our local community and love having passionate volunteers to help coach and support our staff. You will be able to help lead our young people whilst they play, as well as gaining incredible skills from this. Whilst some badminton experience may be great, there is no problem if you don't. We provide training and coaching beforehand to help support you.
